Сторителлинг

Это педагогическая технология, основанная на использовании историй с определённой структурой.

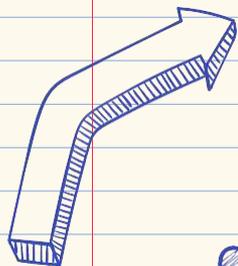

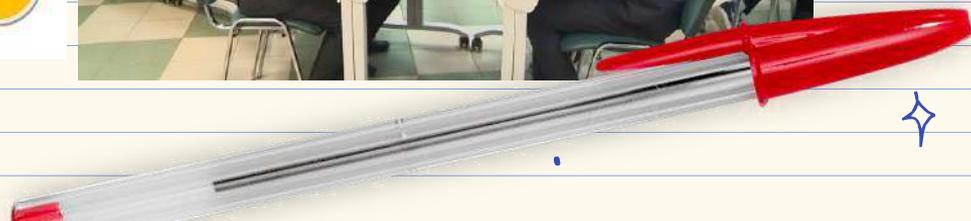

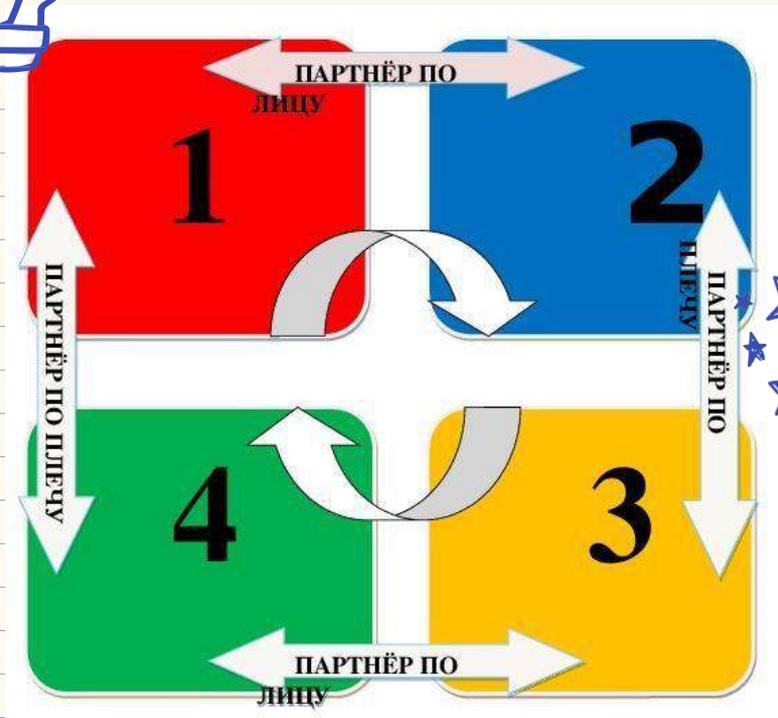

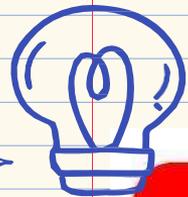

Сингапурская методика

Инновационный подход, разработанный и впервые внедрённый в начальных школах Сингапура. Ориентирован на развитие практических навыков и вовлечение учащихся в активное участие на уроках через групповую работу.

Перевернутый класс

Инновационный подход к обучению, при котором акцент смещён с преподавания в классе на самостоятельное изучение материала учащимися.

Здоровьесбережение

3

вопроса

Предполагает, что в начале урока учитель задаёт ученикам три вопроса, на которые они не могут ответить отрицательно.
